

Veterans Day Essay

Kenzie McMahon

Veterans Day is a great holiday to honor veterans that served our country and people that served in the war! Veterans Day is a holiday made to honor our veterans that served in the war or serve our country in the military.

There are 5 main branches of the military, here are those 5 and about those 5 branches. The first two are the navy and the army. The army serves our country on land, sea and air, and the navy maintains equipment to be ready to fight in the wars. Next, is the marine corps and air force. The Marine Corps serve on navy ships to protect the bases, and the air force protects our country in the air and space. Lastly, the coast guard protects the coastline of our country. Those are the 5 branches of the military all are working together to protect our nation.

All about Veterans Day history! Veterans Day was made to honor veterans. People thought that veterans deserved a day to honor them. It was originally called armistice day to honor veterans after World War I but after World War II it was changed to Veterans Day. Veterans Day has a lot of interesting background, do you think it does?

What is Veterans Day? Veterans Day is a holiday to thank veterans for their hard work. It was called armistice day because armistice means an agreement made by two sides to end a war. To celebrate Veterans Day we can thank veterans, write essays, and do other things to thank veterans for their work. Veterans Day is a cool holiday that's very interesting.

In conclusion, Veterans Day is an interesting holiday because it has a cool background. I think that Veterans Day is a cool holiday and it's very interesting. Make sure to take time to thank veterans on Veterans Day!
