Security of Buildings and Grounds

Buildings constitute one of the greatest investments of the school district and the community. It is in the best interest of students and taxpayers to protect that investment adequately.

Security includes:

1. Minimizing fire hazards.
2. Reducing the probability of faulty equipment.
3. Guarding against the chance of electrical shock.
4. Keeping records and funds in a safe place.
5. Protecting against vandalism and burglary and non-authorized illegal entry.

The Superintendent of Schools is directed to establish such rules and regulations as may be needed to provide for security as outlined above.

Identification Badges-Employees

The Board of Education recognizes the importance of providing a safe environment for all District students and staff. To promote a safe environment, the District requires all employees, volunteers and visitors to wear a District issued, approved identification badge.

Required Identification: All employees, while carrying out regular employment duties, will display identification badges in plain view.

Issuing Identification Badges: Identification badges will be provided to all employees. The initial badge, clip or lanyard will be provided to all employees at no cost to the employee. ID badges will be replaced as necessary due to normal use, to make the photo current or for changes in employment status.

Visitors/Volunteers: All visitors/volunteers are required to check in to the main office or security desk to obtain a visitor's badge. Volunteer and visitor badges may be permanent and lent to the person or disposable. A log shall be maintained of all visitors/volunteers in the building. When visitors/volunteers leave the building, they must return the badge to the office or security desk.
