DKH DAY KIMBALL HEALTHCARE

A community partner of YaleNewHavenHealth

The Food and Drug Administration has expanded emergency use authorizations for Pfizer's COVID-19 vaccine to include adolescents ages 12 and up. DKH is pleased to host two upcoming first-dose Pfizer COVID-19 vaccination clinics for individuals age 12 and up on Saturday, May 15 and again on Saturday, May 22, both from 9 a.m. to 1 p.m. at Day Kimball Hospital. Walk-ins accepted. No appointment needed. The Pfizer COVID-19 vaccine is administered as a series of two doses, three weeks apart.
