

Dear Families,

Today is not an early release day. The school calendar was changed prior to the start of this school year. The calendar is posted on our website and may be found through this link https://www.pomfretcommunityschool.org/application/files/7115/9794/2081/School_Calendar-PCS_2020-2021_final_4.pdf

Please be sure to complete a health check at home prior to sending your students to school. If your student has been in close contact with anyone who has tested positive for COVID 19 or if they have a fever of 100.4 or higher, chills, uncontrolled new cough, shortness of breath, difficulty breathing or loss of taste or smell, please keep them home. It takes all of us working together to keep us all healthy.

It is required that your student comes to school each day wearing a mask that covers his/her mouth and nose. Cloth masks should be cleaned daily in hot soapy water either in the washing machine or scrubbed by hand for at least 20 seconds. If you are in need of a second mask for your student to wear while one is being cleaned, please contact me.

If all goes well with our second graders joining us for 4 days of in-person instruction, we will be adding our third graders the week of October 19. Based on the number of students in these classes we will not be able to maintain 6 feet of distance between students when they are in class. This will be true for future groups as well. We will maintain as much physical distance as possible and all other mitigating strategies will still be in place including: co-horting, frequent hand washing, and cleaning and disinfecting protocols.

Stay safe and healthy!

Kind regards,
Susan Imschweiler
