

The Army

The Army is a powerful fighting force defending and serving our nation by land, sea and air. Groups within the Army, such as the Army Rangers and Special Forces, receive specialized training for advanced combat situations.

Women play a vital role in today's army; they are the soldiers on the front-line; they are leaders, officers and noncommissioned officers standing with our troops. They are members of the United States army civilian Corps, as well as employers, spouses, mothers and sisters who are critical members of our army team.

Most Soldiers reported sleeping 6 to 7 hours per night, regardless of duty status. However, nearly 1 in 3 reported getting less than 6 hours of sleep on weeknights/duty nights. Soldiers also reported getting more sleep on weekend/non-duty nights than on weeknights/duty nights. The army is a very important part of the military

The Air Force

The Air Force focuses on flying, but only a small fraction of personnel actually fly. Most airmen and airwomen work on flight support missions, handling **base** affairs, protecting bases, constructing new airstrips, guarding missile sites, even doing rescues.

Though the air force is the military branch that rules the air, it still has dangerous tasks that require it to operate and mobilize on the ground. There are many jobs that are dangerous to airmen, especially if they are serving in a combat zone.

Pilots are responsible for completing missions by flying various Air Force aircraft.

- Public affairs officer.
- Security forces.
- Operations intelligence.
- Air traffic control.
- Aircraft loadmaster.

The air force is a very dangerous job. You will have to be very strong to do this and have to be brave.

Veterans Day is Important

This day is important because we are thanking the military that helped us. We need to be thankful. I did not put all six of the military branches but these are some. All are really important because they can save our lives in some way. You should always remember this day and respect them. I did not put all of them. These ones are important too.

There are more of these awesome branches but I only did three all of them are very important.

This is an important day so you can appreciate the veterans.
