Vehicles Parked on School Property by Students and Employees

While participating in school activities, students and employees of the Board of Education may park vehicles in areas designated by the School Administration.

The Board of Education reserves the right to restrict parking on school property at any time, to withdraw the right of any person to use school property for parking, and to issue regulations governing the movement of parked vehicles whether or not school is in session.

Parking at restricted times or in restricted places is subject to action by the Board of Education and/or administration.

The Board of Education assumes no responsibility for damage to or theft of a vehicle or any item stored in or on a vehicle parked on school property.

No item, the possession of which is illegal or in violation of school regulations or which endangers the health, safety or welfare of persons shall be stored in or on a vehicle parked on school property.

If the school administration believes that a vehicle while on school property is being used in a manner or for a purpose which may be injurious or illegal, it shall refer the matter to the police.
