

Frequently Asked Questions (FAQs) About Free and Reduced-price School Meals for Districts Participating in the Seamless Summer Option (SSO) for School Year 2021-22

Dear Parent/Guardian:

Good news! For school year 2021-22, EASTCONN Food Services has opted to participate in the Seamless Summer Option (SSO) of the National School Lunch Program. This means that all students enrolled in school will receive breakfast and lunch free of charge. However, it remains critical that you complete and submit your free and reduced-price meal application to EASTCONN Food Services in order to determine eligibility for other programs, like the Pandemic Electronic Benefit Transfer (P-EBT), discounted technology and WiFi programs, and more. This packet includes an application for free and reduced-price school meals and detailed instructions in how to complete it.

Note: Children receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Family Assistance (TFA) or Medicaid (HUSKY A) benefits *may* be directly certified and automatically eligible for free meals without applying for benefits. (Some children who receive Medicaid (HUSKY A) benefits **may** also be directly certified and automatically eligible for *reduced-price* meals.) Questions regarding SNAP/TFA/Medicaid and direct certification should be sent to the determining official, **Kayla Mercado (860)455-1542**.

If you have received a NOTICE OF DIRECT CERTIFICATION for free or reduced-price meals, **do not** complete the application unless instructed to do so by the district. Let the school know if any children in your household are **not** listed on the **Notice of Direct Certification** letter you received, since free or reduced meal benefits are extended to all children in a household when directly certified.

Additionally, all school-aged students in income-eligible households and students who are determined to be directly certified for free or reduced-price meals, can receive school meal benefits regardless of a student's immigration status and the district/school does not release information for immigration-related purposes in the usual course of operating the Child Nutrition Programs.

EASTCONN Food Services complies with the federal requirements for meal modifications for students with special dietary needs. The requirements for meal modifications are different for students with and without disabilities. For more information, please contact the food service director, Heather Plourde at 860-455-1552.

The answers to the common questions below can help you with the application process.

FAQs About Free and Reduced-price School Meals for Districts Participating in the SSO for School Year 2021-22

1. Who can get free or reduced-price meals?

- All students residing in households where any member of the household receives SNAP or TFA benefits are eligible for free school meals. Note: *Some* students receiving Medicaid (HUSKY A) benefits are eligible for free or reduced-price school meals.
- Foster children that are under the **legal** responsibility of a foster care agency or court are eligible for free meals. (Note: A foster child is categorically eligible for free meals and may be included as a member of the foster family if the foster family chooses to also apply for benefits for other children. Including children in foster care as members of the household may help other children in the household qualify for benefits. If non-foster children in a foster family are not eligible for free or reduced-price meal benefits, an eligible foster child will still receive free benefits.)
- Students participating in their school’s Head Start program are eligible for free meals.
- Students who are designated as homeless or runaway are eligible for free meals.

2. **How do I know if my children qualify as homeless or runaway?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and you have not been told your children will get free school meals, please e-mail Amy Margelony, amargelony@eastconn.org.
3. **Do I need to fill out an application for each child?** No. Use **one** *Free and Reduced-price School Meals Application* for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to Kayla Mercado, 376 Hartford Tpke., Hampton, CT 06247, kmercado@eastconn.org.
4. **Should I fill out an application if I received a letter this school year saying my children are already approved for free or reduced-price meals?** No, but please read the letter carefully and follow the instructions. If any students in your household were missing from your eligibility notification, contact Kayla Mercado, 376 Hartford Tpke., Hampton, CT 06247, kmercado@eastconn.org 860-455-1542 immediately.
5. **Can I apply online?** Yes. You are encouraged to complete the electronic online application for free and reduced-price school meals instead of a paper application when possible. The online application has the same requirements as the paper application and will ask you for the same information. Visit www.eastconn.org/foodservices to begin or to learn more about the online application process. Contact Kayla Mercado, 376 Hartford Tpke., Hampton, CT 06247, kmercado@eastconn.org 860-455-1542 if you have any questions about the online application.
6. **My child's application was approved last year. Do I need to fill out a new one?** Yes. Your child's application is only good for that school year and for up to 30 operating days into the new school year (or until a new eligibility determination is made, whichever comes first). When the carryover period ends, unless you are notified that your children are directly certified or you submit an application that is approved, your children's meals must be claimed at the paid rate. Though encouraged to do so, the LEA is not required to send a reminder or a notice of expired eligibility. Even if your school is offering meals at no cost, it is important that you submit an application to ensure that in the subsequent school year, your child will remain eligible for free or reduced-price meals for up to 30 operating days.

7. **If I get Special Supplemental Program for Women Infants and Children (WIC) benefits, can my children get free meals?** Students in households participating in WIC may be eligible for free or reduced-price meals. Please send in an application.
8. **Will the information I give be checked?** Yes. We may also ask you to send written proof of the household income you report.
9. **If I don't qualify now, may I apply later?** Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.
10. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing Gary Mala, EASTCONN 376 Hartford Tpke., Hampton, CT 06247 860-455-0707 gmala@eastconn.org.

12. **What if my income is not always the same?** List the amount that you **normally** receive. For example, if you normally make \$1,000 each month, but you missed some work last month and only made \$900, put down that you made \$1,000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
13. **What if some household members have no income to report?** Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. When this happens, please write "0" in the field. However, if any income fields are left empty or blank, those will **also** be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you **meant** to do so.
14. **We are in the military. Do we report our income differently?** Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food or clothing, or receive Family Subsistence Supplemental Allowance payments, these must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
