

We are partnering with the Northeast District Department of Health to offer a flu and COVID-19 vaccine clinic at PCS. The clinic will take place on Thursday, October 13, 2022, between 4:00 and 6:00 PM. Vaccines will be available for anyone age 5 and up. COVID-19 vaccines will be provided to all free of charge. Flu vaccines will be provided free of charge for children between the ages of 5 and 18. There will be a \$30 charge for adult flu vaccines. If you are interested in participating in this clinic, please send me an email at [imschweiler.s@pomfretcommunityschool.org](mailto:imschweiler.s@pomfretcommunityschool.org) so that I may send the consent forms home with your student. This is to help NDDH staff with planning for the number of participants.
