1. Parent/Teacher Conferences scheduled for March 19 and 20 are postponed. Students will still be dismissed at 12:30 each of these days, so that teachers may prepare materials in order to provide continuity of education in the event of an extended school closure. While we do not anticipate an extended closure at this time, we want to be prepared with high quality, distance-learning opportunities that include digital and/or printed materials for students.
2. All field trips scheduled through April 30 are cancelled. At this time, we are still planning to go to Washington D.C. in May. However, we will continue to monitor this rapidly changing situation and will cancel should it be deemed in the best interest of our students and staff.
3. All in school and after school activities that draw large crowds (i.e. concerts, assemblies, Grandparent's Day, dances) are cancelled. We will still hold athletic try-outs, athletic practices and clubs.
