Consultants

The Board of Education, aware of the benefits to be derived, authorizes the administrative and supervisory staff to use professional consultants from the State Department of Education, colleges, universities, and other sources, when such consultant services will be helpful in the improvement of the instructional or other program in the school. All consultants must be approved by the Superintendent, and cases involving honorarium and/or other costs must be within the approved Board of Education budget parameters. Board approval must be secured prior to entering into a contract or an agreement with such person or persons.
