

Dear Families,

We will be holding our annual child find event on Wednesday, October 13th between 9:00 and 1:00. Weather permitting we will be screening the children at stations set up outside. If you would like to have your preschooler screened, please contact Debbie Morrisette at 860-928-2718 ext. 310.

All pictures that were ordered from our picture days will be mailed directly to your home. If you are not happy with your child's photo or if your child missed their scheduled day, retake day is November 17th.

Parent/Teacher conferences will be held on Thursday, October 21st and Friday October 22nd. All conferences will be held virtually via Zoom. Please reach out to your student's homeroom teacher if you have any questions. Both Thursday, October 21st and Friday, October 22nd are 12:30 dismissal days.

Please be sure to conduct a home health check before sending your students to school. If your students is experiencing one high risk (fever, loss of taste or smell, chills, uncontrolled new cough, difficulty breathing or shortness of breath) or two other symptoms (fatigue, stomach pain, nausea, vomiting, diarrhea, sore throat, headache, muscle or body aches, congestion or runny nose) keep them home and get them tested for COVID-19. If test results are negative, they may return to school after no fever for 24 hours without fever-reducing medication and other symptoms are improving. It truly takes all of us working together to keep each other healthy.

As soon as we have scheduled dates for the start of our COVID-19 testing programs, I will send an email and text message to all families. We are working with two different vendors and are waiting for them to add PCS to their schedules. Parents may opt in or out at any time. If you need a form to provide consent for testing, you may call or email me at imschweiler.s@pomfretcommunityschool.org.

Kind regards,
Susan Imschweiler, Principal
